

ISTEP+, IMAST, & IREAD-3 Date Change Request: 2013-14 Assessments

Introduction

In general, no public or other educational institution may administer required assessments outside of the published testing dates established by the State Board. However, the State Board has allowed the Department limited authority to grant exceptions to established testing dates under the following specific guidelines:

The Department shall:

- Not approve requests that provide for administration more than one week prior to the established dates.
- Not approve any requests for late administration.
- Approve only those requests based on long-standing community tradition or extraordinary or emergency circumstances.

Any request outside of the State Board guidelines must be submitted in writing to the Office of Student Assessment and presented to the State Board for review.

The directions below and the form on the next page apply to schools/corporations wishing to:

- Request early administration of a required ISTEP+ (Grades 3-8), IMAST, and/or IREAD-3 assessment.
